

Orchard View Consulting Services

HOMESCHOOL

- *Are you looking for a guide to help you navigate through your curriculum?*
- *Would you like someone to take a second look at your objectives for the school year?*
- *Are you searching for an organizational structure for yourself and/or your child(ren)?*
- *Would you like to revamp and/or revitalize your current teaching methods?*

I would like to help!

I believe you are fully capable of teaching your child(ren) without my help. I am here to help guide your learning and teaching experiences and open new doors of possibility on the journey that is uniquely yours.

The following services are customizable - please choose options that meet your needs.

CURRICULUM COACH

Options:

- Goal setting - annually, monthly, weekly, other
- Curriculum review – that which you have purchased or collected
- Academic pacing by discipline
- Organization and lesson planning
- New York State standards alignment
- Record keeping samples and suggestions – for learners and teachers
- Resource options
- Documentation of goal attainment and anecdotal records of student progress (additional fee)

INSTRUCTIONAL STRATEGIES COACH

Options:

- Integrated teaching methods
- Instructional strategies to “Make it fun... most of the time”
- Learning and teaching styles coordination
- Learning environment /physical space planning
- Defining “have to...” (requirements) and “get to...” (extension) lessons
- Breaking learning into manageable pieces that will fit together in the end

All services include:

- ❖ Lending library of supplemental materials (books, manipulatives, academic games, Discovery Packs, etc)
- ❖ Email connection to reinforce the material/ideas that were discussed during consultation

Services do NOT include:

- ❖ Researching homeschool laws and regulations
- ❖ IHIP preparation or contact with public/private school officials
- ❖ Assessment of social growth
- ❖ Standardized testing (though I will proctor a test you have chosen)
- ❖ Defining *your* philosophy, but I believe that our approaches to learning should be similar (refer to Consulting Services document)
- ❖ Judgment of education decisions you have made or will make (transitioning into or out of homeschool, public school, or private school is a decision *you* make, and one *I will support*)

If you would like further information, please email me directly at Mrs.M@OrchardViewEducation.com. I will send you a pdf copy of my Consulting Services packet which outlines my education philosophy as related to homeschooling, rates for services, and questions for you to consider.

I look forward to working with you!
